

HELP US BRING THE LIGHT: VOLUNTEERING AT LIGHTWAYS

INDIRECT CARE VOLUNTEERS

support Lightways in many ways; from gardening and administrative services to our specialty services such as Bakery Angels and our Memorial Bears Program. Our volunteers have unique skills that help Lightways with special projects and community events that set us apart from the rest.

1 Office Volunteer

Volunteers assist during regular office hours with administrative tasks, data entry, filing, photocopying, mailings and other assignments.

2 Community Events

Volunteers represent Lightways at various community events such as expos, health fairs and seminars.

3 Fundraising

Volunteers assist with planning and working at fundraising events.

4 Bakery Angels

Twice a year, volunteers prepare home-baked goods for delivery to Lightways patients and families.

5 Memorial Bears

Volunteers create stuffed bears using material provided by families to memorialize their loved ones.

6 Gardener

Volunteers assist in maintaining the gardens of the Hospice Inpatient Unit and administrative building.
