

Hospice and Serious Illness Care

Hello,

At **Lightways Hospice and Serious Illness Care**, we provide a beacon of light for approximately 200 families each year, offering unwavering guidance and support through our pediatric program. Our dedicated interdisciplinary team provides comprehensive care to both the patient and their family. A crucial aspect of our work is that Lightways absorbs the full cost of our staff's visits for pediatric palliative care, as there is no insurance reimbursement for this essential service in Illinois.

We invite you to join us in this mission by sponsoring our **annual Family Fun Run 5K "Super Heart"**. This event directly supports our pediatric program and helps us continue to provide critical care to these vulnerable children. We offer several sponsorship levels, each providing valuable recognition and opportunities to connect with our community, details are included and can also be viewed at lightways.org/lightways5k/.

By becoming a sponsor, you will not only be making a tangible difference in the lives of these children but also demonstrating your commitment to compassionate care within our community. We cannot achieve our goal of making these Little Lights shine without your generosity. We would be honored to discuss these opportunities with you further.

I hope we can count on your support. **If you have additional questions, please contact me at 331.457.0147 or email at kpeterson@lightways.org.**

Gratefully,

Kathy Peterson
Senior Director of Marketing
